Madras,

Sir, Through

The District Medical Officer and Surgeon-General
with the Government of Madras.

Sir,

I have the honour to bring to the kind notice of Government that the Local Fund Dispensary at Kadaba has been without a midwife ever since it was opened in the month of August 1928. The absence of ~~the~~ a midwife is keenly felt by public in general and Mahomedan ladies in particular as they observe purdah. The District Medical Officer, the President Panchayat Board and the Medical Officer have brought to my notice the difficulties in getting maternity relief and the consequent sufferings

they are subject to several deaths are being reported for want of proper attention paid to gynaccological and labour cases. The nearest midwife is available at a distance of about 20---- particularly in the monsonn months miles and it is well nigh impossible to get her services when this little village is entirely cut off from the rest of the district by unfordable rivers. This is the only Local Fund --- Dispensary in the district without a qualified midwife.

2. The matter was therefore placed before the Board at its meeting held on 14.11.1934 and in its Resolution No:89 --- (copy enclosed ) the Board has sanctioned the post of a mid--wife with effect from 1.12.1934.

3. I therefore request that the Government may be pleased to accord sanction for the creation of the new post with ---- effect from 1.12.1934 on Rs 25-1( biennial)- 35.

I have the honour to be,

Sir,

Your most obedient Servant,

President.
